

Lake Holiday Property Owners Association Construction Permit Process

If you are planning to build any type of structure in Lake Holiday, you will need a permit. Septic systems must be approved by Lake Holiday prior to being submitted to LaSalle County.

Lake Holiday (815-498-2216)

Permit Forms can be found on our website.

www.lakeholiday.us

LaSalle County (815-434-8666)

All structures more that 200 square feet, costs more than \$2000 or 1 side over 20 feet long this also includes fences and above ground pools with the exception of boat docks and driveways.

www.lasallecounty.org

For shoreline work you will also need to complete and submit the following:

LaSalle County Flood Plain Development Protecting Illinois Waterways

LaSalle County will perform the following:

1. Plan review
2. Foundation inspection
3. Rough in and final plumbing inspections
4. Framing inspection
5. Rough in and final electric inspection
6. Heating, ventilation and air conditioning inspection
7. Final occupancy inspection

In addition to inspections performed by LaSalle County, Lake Holiday must inspect or approve the following:

1. Elevation of structures prior to construction
2. Set Backs - as shown on permit form
3. Septic permits - before they are submitted to LaSalle County Health Department
4. Culvert length, diameter and placement
5. Final inspection: 6 month compliance, exterior complete, house numbers, rough grade, ditch work
6. Inspections of all permits.
7. Call for final inspection at 815-498-2216.
